

WEST SIDE AUTO

5108 Lancaster Avenue, Philadelphia, Pa.

215-877-8222

To Whom It May Concern:

I just purchased a video recording system for my garage, because times have changed and I can't be there all the time. Knights Security Services took care of me from the installation of it all to the follow up; to making sure I knew how to use it. Since getting it, everybody who comes in, has taken notice. We even got someone who we never suspected, taking my employee's personal property right off his tool bench. I will recommend these people and the product they offer without hesitation. Thank you to the guys of Knights Security Services, you did an excellent job.

**Sincerely,
John Deuber- Owner**

And the staff of West Side Auto
